

Electronic Courses involve remote electronic delivery for 100% of the course content. Computer and Internet access along with an e-mail account are mandatory. Please read the Primary Delivery Method Column of the E Course Table carefully before registering for a course. Students may need to be familiar with WebCT for some courses. Additional software (MS Office XP, Quick Books, etc.) or free plug-ins (Adobe Reader) RealPlayer, etc.) may be required. Check with the instructor for specific course requirements.
