## **Future of Chemistry Scholarship Technical Application**

### PROCESS

Potential scholarship recipients must complete this scholarship application by downloading the fillable form and attaching all supporting documentation, which will be sent directly to WVU Parkersburg by emailing **rrhodes2@wvup.edu**.

Any questions or concerns with the application can be answered by contacting the WVU Parkersburg representative Rebecca Rhodes at **304-424-8282** or **rrhodes2@wvup.edu**.

All supporting documentation will also need to be sent by the established deadline of December 31, 2022. Scholarship decisions will be made by March 1, 2023.

### CRITERIA

- Applicants must be completing or have completed high school successfully with a minimum GPA of 3.0 on a 4.0 scale.
- Applicants must be accepted as a full-time student at WVU Parkersburg for the Fall 2023 semester.
- Applicants must plan to pursue studies in one of the following technical programs at WVU Parkersburg: Advanced Manufacturing Technology, Multi-Craft Technology, Reliability and Maintenance Technology, Welding Technology or Electrical Reliability and Maintenance.
- Applicants must be a citizen or legal permanent resident of the United States.
- These scholarships are open to all students applying to the above-mentioned programs; however, the rubric will support the Chemours 2030 CRC goals for female and minority applicants.
- Applicants must complete and submit a scholarship application by December 31, 2022

### AWARD

- Chemours awards scholarships based on a comprehensive evaluation process conducted by a cross function committee drawn from the Chemours Scholarship Team, a representative from WVU Parkersburg, and a representative from the Parkersburg Chamber of Commerce.
- Areas that are reviewed by the committee include, but are not limited to, the following:
  - Academic Accomplishments
  - Reference Letters
  - Future Career Aspirations expressed in this application.
- Chemours will pay the scholarship fund directly to a WVU at Parkersburg Foundation Scholarship.
- Scholarships are awarded annually and will be presented at a dinner with committee and a guest of your choice.
- Maximum Scholarship amount is \$7,000 per year

## SCHOLARSHIP ADMINISTRATION

The Chemours scholarship committee will lead the process for receiving and reviewing applications, selecting recipients, and making scholarship awards. The committee working together with a representative from WVU Parkersburg and a representative of the Chamber of Commerce, will read applications, determine the best candidates, and then vote for approval. We will then notify the recipients and award the scholarship funds via phone call and official letter followed by a formal presentation at a dinner with the winning applicants and a guest of their choice.

## ACKNOWLEDGEMENT AND RELEASE

I have read and understand the criteria and requirements and agree to all. I understand that lack of fulfillment of these criteria may result in the loss of the award.

As a condition of scholarship receipt, I give permission to the Chemours Company to use my name, photos, video imagery, video audio, interview content and other materials about me for promotional, publicity, marketing, or organizational purposes.
