- WVUP is an Equal Opportunity/Affirmative Action institution

Effective
Fall Semester – August 2025

Requirements
- A Master's degree in Computer Science from a recognized, regionally accredited college or university OR
- A Master's degree with 3 years' experience OR
- A Bachelor's degree in Computer Science, Information Technology, Cybersecurity, or a closely related field with a minimum of 6 years of professional experience.
- Demonstrated use of advanced technology systems such as learning management systems or similar technologies.
- Understanding and application of assessment practices is strongly preferred.
- Successful college-level teaching experience is preferred, as well as prior effective use of technology in instructional delivery, and a willingness to deliver courses in all instructional modalities.
- Demonstration of teaching effectiveness is part of the on-campus interview.

Responsibilities
- This is a nine-month, renewable term appointment.
- This appointment will include a 15-credit hour teaching load per semester in CIT and Cybersecurity.
- Other college level courses may also be assigned depending on the selected candidate's credentials.
- Most instructional duties will be at the main campus in Parkersburg but may also include the instruction of classes at the Jackson County Center in Ripley.
- Teaching assignments may include evening, weekend, hybrid and/or totally on-line instruction.

- In addition, duties will include academic advising, committee service, program and course-level assessment, program support, effective use of learning management systems, student recruitment/retention and professional development.
- Use of learning management systems and demonstrated effective use of technology is a condition of continued employment beyond the first year.
- WVUP values creativity, individuality, and innovation, and expects the selected candidate to actively participate in the college community.

Other Responsibilities
- Experience with Systems administration, Network administration, and cybersecurity, including but not limited to:
    - Computer maintenance and Helpdesk
    - Windows Systems Administration
    - Linux Systems Administration
    - Routing and Switching, preferably with Cisco infrastructure
    - Information Security and Cybersecurity
- Preference given to candidates with additional experience in:
    - College-level teaching
    - Project Management
    - Enterprise Virtualization
    - Cloud Computing
    - Industry Certifications, including but not limited to
        - CompTIA A+, Net+, Security+
        - Cisco CCNA
        - Cisco CCNP
        - Microsoft MCP
        - Linux+, LPIC, or RHCSA/RHCE
        - Cybersecurity
