Effective

Fall semester – August 2024

Requirements

- A Master's degree in Computer Science from a recognized, regionally accredited college or university OR
- A Master's degree with 3 years' experience OR
- A Bachelor's degree in Computer Science, Information Technology, Cybersecurity, or a closely related field with a minimum of 6 years of professional experience.
- Demonstrated use of advanced technology systems such as learning management systems or similar technologies.
- Understanding and application of assessment practices is strongly preferred.
- Successful college-level teaching experience is preferred, as well as prior effective use of technology in instructional delivery, and a willingness to deliver courses in all instructional modalities.
- Demonstration of teaching effectiveness is part of the on-campus interview.

Responsibilities

- This is a nine-month, renewable term appointment.
- This appointment will include a 15-credit hour teaching load per semester in CIT and Cybersecurity.
- Other college level courses may also be assigned depending on the selected candidate's credentials.
- Most instructional duties will be at the main campus in Parkersburg but may also include the instruction of classes at the Jackson County Center in Ripley.
- Teaching assignments may include evening, weekend, hybrid and/or totally on-line instruction.
- In addition, duties will include academic advising, committee service, program and course-level assessment, program support, effective use of learning management systems, student recruitment/retention and professional development.
- Use of learning management systems and demonstrated effective use of technology is a condition of continued employment beyond the first year.

- WVUP values creativity, individuality, and innovation, and expects the selected candidate to actively participate in the college community.

Other Responsibilities
- Experience with Systems administration, Network administration, and cybersecurity, including but not limited to:
  - Computer maintenance and Helpdesk
  - Windows Systems Administration
  - Linux Systems Administration
  - Routing and Switching, preferably with Cisco infrastructure
  - Information Security and Cybersecurity
- Preference given to candidates with additional experience in:
  - College-level teaching
  - Project Management
  - Enterprise Virtualization
  - Cloud Computing
  - Industry Certifications, including but not limited to
    - CompTIA A+, Net+, Security+
    - Cisco CCNA
    - Cisco CCNP
    - Microsoft MCP
    - Linux+, LPIC, or RHCSA/RHCE
    - Cybersecurity

Posted
05/21/2024 and will remain active until filled with preference given to applications that are received by 06/12/2024.
